13 HTC AMERICA, INC., et al.,

CASE NO. C17-1558JLR

ORDER DIRECTING JOINT
STATUS REPORT

15 In its August 30, 2019 opinion, the Ninth Circuit Court of Appeals determined that
16 “[a]fter Uniloc [USA, Inc.] filed its appeal, HTC [America, Inc.] became aware of
17 material suggesting multiple jurisdictional defects” as a result of an ownership transfer.
18 (*See* 9th Cir. Op. (Dkt. # 73) at 1.) Because this material was outside the record, the
19 Ninth Circuit Court remanded “for the district court to supplement the record, determine
20 whether Uniloc has standing in the first instance, and, if appropriate, cure any
21 jurisdictional defects.” (*See id.* at 1.) The Ninth Circuit issued its mandate on October 7,
22 2019. (Mandate (Dkt. # 75).)

1 In light of the Ninth Circuit's remand, the court ORDERS the parties to file a joint
2 status report within 10 days of the entry of this order proposing a course of action that
3 addresses the Ninth Circuit's remand, the material outside the record referred to by the
4 Ninth Circuit, the potential jurisdictional defects raised by that outside-the-record
5 material, and an accompanying timeline for the proposed course of action.

6 Dated this 8th day of November, 2019.
